

# Descriptions

## DERMAPLANE FACIAL

Dermaplaning is an anti-aging cosmetic procedure that removes the dead layer of skin along with peach fuzz. The procedure aims to reduce the appearance of fine lines and large pores, evening out skin tone, smoothing texture, as well as enhancing product penetration and makeup application. Includes an enzyme peel with light facial massage, moisture lock serum, and hydrating lip balm. (Includes brow shaping)

## CRYO FACIAL

Heal and renew your skin! This ice therapy session helps boost circulation bringing more oxygen in the blood. It helps firm skin and reduce puffiness revealing a more even skin tone and brighter complexion. It also aids in lymphatic drainage to speed up the removal of toxins and wastes.

## HYDRA FACIAL

This deep cleansing facial exfoliates, extracts, and hydrates the skin to leave you visibly refreshed and rejuvenated. It treats fine lines by creating firmness and elasticity as well as enlarged pores and congested skin. It is suitable for all skin types with no recovery time making it ideal for those with a busy schedule.

## ACNE FACIAL

A customized facial based on your specific acne skin concerns. Includes cleansing, exfoliation, extractions, steam, and a clarifying mask to balance the skin and calm inflamed acne. A professional acne skin care regimen will be recommended for use at home.

## PARFFIN FACIAL

Paraffin wax imparts warmth to the blood vessels and thus, the blood circulation is increased. This helps to brighten your complexion. Cleansing of pores: Paraffin wax heat helps to open up your skin pores. Dirt accumulated in the pores becomes loose and naturally, all the dirt, whiteheads and blackheads are efficiently removed. Includes warming hand mits, light massage of arm, hands, decollete, neck, shoulders and scalp.

## RED LIGHT REJUVENATING FACIAL

Feel results immediately and after with this infrared collagen facial. This therapeutic treatment penetrates red light and products deep into the skin to detoxify, stimulate collagen production, increase circulation, promote healing, and reduce inflammation. Includes light massage of arm, hands, decollete, neck, shoulders, and scalp. (45 min)

## EXPRESS FACIAL

This mini-facial will leave your face feeling clean and refreshed. Includes cleansing, steaming, light facial massage, hydrating mask, and light massage of decollete, shoulders and neck. Perfect as a monthly care regimen for those with a busy schedule or for teens.

## 24K GOLD HYDRATING FACIAL

A deep hydrating facial for parched, dry skin. This gold collagen mask contains all natural ingredients designed to plump and brighten dull skin. Includes light massage of arm, hands, decollete, neck, shoulders, and scalp. A client favorite!
